Benefit Summary

Payment for Services		
Covered Services are reimbursed based on the Allowable Charge. In-network Providers have agreed to accept the benefit payment as payment in full, not including Deductible, Coinsurance and/or Copayment amounts and any charges for non-covered Services, which are the Covered Person's responsibility. That means In-network providers, under the terms of their contract, can't bill for amounts over the Contracted Amount. In some situations, Out-of-network Providers can bill for amounts over the Out-of-network Allowance. Cost-sharing and reimbursement amounts for categories showing "Same as any other illness" may vary based on where services are rendered.		
In-network Provider: The provider network is shown on your I.D. card. For help in locating In-network Providers, visit the network website to search In-network Providers, or contact Member Services.		
	In Network	**Out of Network**
Deductible (the amount the Covered Person pays each Calendar Year for Covered Services before the Coinsurance is payable)		
• Individual	$3,500	Not Covered
• Family (Embedded*)	$7,000	Not Covered
Out-of-pocket Limit (Includes Deductible, Coinsurance and Copays)		
• Individual	$9,200	Not Covered
• Family (Embedded*)	$18,400	Not Covered
In-network and Out-of-network Deductible and Out-of-pocket Limits are separate and do not cross accumulate. All other limits (days, visits, sessions, dollar amounts, etc.) do cross accumulate between In-network and Out-of-network, unless noted differently. Day, session or visit limits for certain services shown on this summary are not applicable to Mental Health and/or Substance Use Disorders. Once the annual Out-of-pocket Limit is reached, most Covered Services are payable by the plan at 100% for the rest of the Calendar Year.		
*Embedded – If you have single coverage, you only need to satisfy the individual Deductible and Out-of-pocket Limit amounts. If you have family coverage, no one family member contributes more than the individual amount. Family members may combine their covered expenses to satisfy the required family Deductible and Out-of-pocket amounts.		
Copayment(s) (copay(s)) apply to: • Prescription Drugs • Primary Care Visits • Urgent Care Facility • Specialist Office Visits The Copay amount varies by the type of Covered Services. Refer to the appropriate category for benefit information.		
Services may require Preauthorization. Failure to obtain Preauthorization will result in denial of benefits.

Introduction

This document is your Summary Plan Description (SPD)

This SPD has been written to help you understand your Group health Plan coverage. It describes the benefits, exclusions and limitations of your Plan in a general way, and is not, and should not be considered a contract.

Please share the information found in this SPD with your Eligible Dependents.

How To Use This Document

For your convenience, defined terms are capitalized throughout this document. For an explanation of a defined term, refer to the Section titled "Definitions."

Please take some time to read this document and become familiar with it. As you read this document, you will find that many sections are related to other sections of the document. You may not have all the information you need by reading just one section. We encourage you to review the benefits and limitations by reading the Benefit Summary page and the sections titled "Benefit Descriptions" and "Exclusions." **If you have a question about your coverage or a Claim, please contact the Member Services Department.**

About Your I.D. Card

You will be issued an identification card (I.D. card). Present your I.D. to your health care provider when you receive Services. With your I.D. card, Hospitals and Physicians can identify your coverage and will usually submit Claims for you.

If you want extra cards for covered family members or need to replace a lost card, please contact the Member Services Department.

Schedule Of Benefits And Benefits Summary

Your Schedule of Benefits is a personalized document that provides you with a basic description of your Plan coverage option. It also shows the membership option that applies to you.

A **Benefit Summary** is included in this SPD. It includes information concerning deductible and cost-sharing amounts, benefit limits, and other coverage details.
